Antica Signoria,  
materie decorative.

Finiture per ambienti classici e moderni

work in colors

[www.anticasignoria.it](http://www.anticasignoria.it)

una collezione di materie decorative in  
linea con le nuove tendenze del design.

Finiture cangianti, effetti metallici,  
venature marmoree, morbide velature...  
effetti straordinari per rivestire e  
decorare ambienti classici e moderni.

*a collection of decorative materials in  
line with the new trends of design.*

*Iridescent finishings, metallic effects,  
marble veins, soft fogs...  
extraordinary effects for coating and  
decorating both classical and modern environments.*

work in colors

I colori presenti in questo catalogo sono da ritenersi indicativi, dal momento che la stampa può solo approssimare l'effetto reale di una finitura decorativa. Per la fedeltà dei colori, consultare la relativa cartella di riferimento.

# TRAMA voluttuosa delicata LUCENTEZZA

La leggerezza impalpabile della materia  
si fonde con i riflessi cangianti della luce  
dando vita ad una finitura dall'eleganza senza tempo

Osare con i toni più accesi, scaldare con le nuances dell'oro,  
armonizzare con le tinte soft...

e l'ambiente prende forma in un'atmosfera raffinata  
dal fascino sempre attuale.

Il Gruppo Di Donato crede fermamente nelle notevoli doti di inventiva e creatività che hanno decretato il successo, nel mondo, delle produzioni italiane. Il *sistema valori* della famiglia è ciò che ci contraddistingue rispetto alle "logiche di breve periodo" dei grandi gruppi multinazionali. Puntiamo sulle nostre capacità e sui nostri valori per eccellere su scala internazionale, a beneficio del nostro *sistema paese*.
